List of Approved Sewage Contractors as of July 22, 2019

The list below represents those contractors that the Town authorizes to work specifically within the Town's right of way with respect to sewage works.

The Town makes no representations, statements, warranties or assurances which would constitute an implied or express endorsement of the workmanship, capabilities, or qualifications of these contractors with respect to work on private property, and the Town will not be liable for any losses or damages caused in connection with the hiring of any of the above listed contractors.

The Town has taken every precaution to ensure that this list is current and accurate, however, errors can occur. It remains the resident's responsibility to do their due diligence and screen the contractor to verify their qualifications and determine their suitability for the intended project.
